11. Participation of students in My Govt. platform and Diksha platform gave students an opportunity to enhance their skills. The 100 % Result of Class X made us proud in the year 2021-22. I congratulate students, parents and teachers for this success. Let me once memorize the rank holders:

1 Kartik Kumar

2 Shivanshi Singh

3 Sejal Gupta

With the sole purpose of updating teachers' knowledge, the school hosted a series of Teachers' Workshops. It was an attempt which inclusively engulfed various significant aspects like Moral Values, Life Skills by CBSE, Meditation & Stress Management, Neurotherapy, English Language and Mathematics.

Apart from this, our teachers are made a part of the training sessions and workshops happening at other schools. Our teachers attended workshops on various ACADEMIC SUBJECTS. Attendee teachers further share the knowledge with other fellow teachers widening the sphere of wisdom.

Teacher's Day Celebration took a rare turn this year when Teachers from school came together and took the celebration to a whole new level through their astounding performances.

To release the caliber of our students in the field of science, IT, Art and Social Science, a Science Exhibition was organized. Promoting harmony across all communities, Special Assemblies are conducted on a regular basis where all the Festivals irrespective of the religion & following are fondly celebrated.

We are drowning in information and severely starving for wisdom today. Fortunately, we are empowered with a demographic dividend knocking on our door. We just need to break the cocoon and let in the beautiful colours of knowledge. I am sure in the coming years; we shall successfully channelize the young minds to explore the best of their abilities.

I also extend my heartfelt thanks to the parents of our students who have shown unflinching faith in us by giving us the profound opportunity to transform their children into truly useful citizens of the future world.

With that, let us foresee a world of universal singularity where our children are going to be the propellant of this change and the world shall be a beautiful place to live in..!!!
